

Interactive Exhibit Contest

What is an Interactive Exhibit?

Table-top exhibit that:

- Attracts attention
- Focuses on a central idea
- Explains a concept; solves a problem; changes an opinion; teaches something
- Relates to your 4-H project area in some way
- 4-H members will explain their exhibit in 1-2 minutes to a judge and answer questions!

Rules

- For Grades 6th - 8th
- Must be free-standing (such as a tri-fold board).
- Must fit on 1/2 of a 6-foot table.
- Items can be displayed on the table. Space from the floor to the table can be used.
- Must have a title.
- Can use pictures, diagrams, models, examples, etc.
- Be creative!
- Must have the word 4-H or the clover on it somewhere.
- NO LIVE animals.
- Explanations are given only to judges, therefore information presented on exhibits should be complete. Those attending the contest should be able to observe your exhibit and understand the general idea of your project or display without explanation.

To participate you must email us your Project Area, Name, Grade, School and teachers name. Before March 13, 2026.

All exhibits will be eligible to be entered in the Appalachian Fair!

County Contest will be held in March 24th, 2026
