(as of January 1, 2026)

WHAT IS ELECTRIC CAMP?

4-H Electric Camp is a fun-filled, hands-on adventure in electricity!

- Campers will explore:
- Energy & Electricity
- Energy Conservation
- Electrical Safety
- Basic Sciences
- Emerging Energy Technologies

All through interactive, learn-by-doing activities!

2026 HANDS-ON LEARNING SESSIONS

Create this as two columns for visual balance:

-  Robotics
-  Home Energy Conservation
-  Electric Vehicles
-  Electrical Safety
-  Wind Energy Conservation
-  The Electric Lamp

WHY ATTEND?

- Work with electrical specialists from across Tennessee
- Meet 4-H'ers from across the state
- Explore careers in energy and electricity
- Experience campus life at UT Knoxville

Programs in agriculture and natural resources, 4-H youth development, family and consumer sciences, and resource development.
University of Tennessee Institute of Agriculture, U.S. Department of Agriculture and county governments cooperating.
